SPONSORSHIP APPEAL FORM

International Conference "Artificial Intelligence in Health Care"

Established under the aegis of Shri Vile Parle Kelvani Mandal as a multidisciplinary institution imparting knowledge across various fields, Narsee Monjee Institute of Management Studies has established a strong foothold in last 35 years. The 12,000 students and more than 450 full time dedicated faculty members is a testimony of its reputation and excellence.

Spear-heading the journey of NMIMS are the Schools of Pharmacy & Technology Management (SPPSPTM, Mumbai & SPTM, Shirpur) and Mukesh Patel School of Technology & Engineering (MPSTME) located at both on and off campuses in Mumbai and Shirpur respectively and Bhanuben Nanavati College of Pharmacy (BNCP), Mumbai under the aegis of Mumbai University. The schools work diligently to fulfil the founder's mission of creating self-reliant and self-motivated young technocrats with global perspective catering to the needs of the Industry, Academia and Research. At NMIMS, we believe in nurturing as excellent academic-industry interface facilitating the exchange of talent and ideas.

With this mission in mind, SVKM takes utmost pride in organizing two days International Conference on "Artificial Intelligence in Health Care" which will witness gathering of around 300 to 400 distinguished and talented minds from industry, academia, and research both national and international, during 27th and 28th December 2016 at Shirpur, Maharashtra (India).

The theme of this international conference "Artificial Intelligence in Health Care" provides an interdisciplinary forum for researchers and developers to present and discuss latest advances in research work as well as prototyped or fielded systems of applications of Artificial Intelligence in the wide and heterogeneous field of medicine, Pharmacy, Engineering in health care. This conference will examine formalizations, methodologies and test benches for evaluating the numerous aspect of AI in health care. The conference also covers the whole range of theoretical and practical aspects, technologies and systems based on Artificial intelligence in the medical domain and aims to bring together eminent speakers of unmatched knowledge and specialists from various fields like research, academics and industry for exchanging ideas and promote fruitful discussions.

We at SVKM's NMIMS take this opportunity to extend a warm invitation to the industrial fraternity to make their invaluable contribution in the form of sponsorship as well as active participation for the grand success of International Conference on Artificial Intelligence in Health Care.

Thank you.
